

I have worked at Dragons since November 2009. I have a Level 2 in Childcare and am currently making enquiries to embark on a NVQ Level 3 course. I have worked with children for 10 years. I thoroughly enjoy my job and find it very fulfilling to see the children I care for grow and learn in a happy, loving environment. I work alongside Debbie, as a Key Person, supporting and caring for a small group of children in the 'Blue' group.
