

Year 4 Curriculum Overview

English

Spelling – weekly spelling tests

Writing - The children will be introduced to our new topic stories with issues and dilemmas through shared reading of 'The Butterfly Lion' by Michael Morpurgo. We will also be writing a series of detailed diary entries from the perspective of the main protagonist.

Reading – Children will continue to develop their responses to retrieval and inference questions and develop their answers using PEE – Point, Evidence and Explanation.

Grammar and Punctuation - In our weekly Grammar and Punctuation lesson, the children will be learning about different word classes, tenses and in particular the use of verbs and adjectives as well as consolidating concepts from the previous year.

Autumn Term 2025

Maths

Place Value: Find 1,000 more or less than a given number

count backwards through 0 to include negative numbers. Recognise the place value of each digit in a four-digit number (1,000s, 100s, 10s, and 1s order and compare numbers beyond 1,000 identify, represent and estimate numbers using different representations.

Addition and Subtraction Add and subtract numbers with up to 4 digits using the formal written methods of columnar addition and subtraction and use inverse operations to check answers solve addition and subtraction two-step problems

Area Measure and calculate the perimeter of a rectilinear figure (including squares) in centimetres and metres. Find the area of rectilinear shapes by counting squares
