

St George's School News

Dear Parents,

All children from Reception to Year 6 will be assessed this term, so that we can report to you in the annual report and to the next teacher. We are extremely proud of our Year 6 pupils this week, who showed exemplary behaviour, concentration and resilience during their SATs. Well done Year 6 and thank you PSA for a well deserved pizza treat day for them today.

Year 4 Multiplication Tests and Year 1 phonic tests will take place in June. Year groups will be assessed using internal testing in reading, maths and writing. Therefore, this is the final push for you to support your child at home this term.

Here are the basic main skills to focus on in each year group:

Reception & Year 1: Phonics and number bonds to 10 and 20. Regular reading practice every evening.

Year 2: Reading Comprehension verbal questions or written practice, alongside regular reading aloud every evening. In maths, recognise the place value of each digit in a 2-digit number and be able to solve word problems with addition and subtraction.

Year 3 & 4: In reading, children should increase their familiarity with a wide range of books and stories focussing on reading comprehension and the meaning of new words. In maths, recognise the place value of each digit in a 3-digit number and be able to solve problems with addition and subtraction. Solve problems, including missing number problems.

By the end of Year 4, pupils should have memorised their multiplication tables up to and including the 12 times tables and show speed in their calculations.

Year 5 & 6: In reading, pupils should apply their growing knowledge of root words, prefixes and suffixes to spell and read aloud. Children should attempt to understand the meaning of new words they meet in context in their reading and write with fluency. In maths, add, subtract, multiply and divide whole numbers with 4 and more digits using written methods. Multiplication and use of fractions should be mastered. Mental arithmetic should be practised regularly and timed mental maths tests should be given to your child.

Thank you for all that you do to support your child, as this in turn supports the staff and our school community. It is valued, appreciated and contributes to success for children.

Yours Sincerely,

Mrs D. Monaghan

Headteacher

"May peace be with you."

God of all people,

Habemus papam! We have a new pope!

In trust and gratitude, we turn to your Holy Spirit. We know your Spirit has been active during this time of conclave, guiding the prayerful discernment that has brought your Church to this important moment. Now, as Pope Leo XIV assumes the Petrine Ministry, we pray that your Spirit draw ever closer to our new Holy Father, illuminating his path so that he may faithfully see and respond to the needs of your people.

We pray that Pope Leo XIV be strengthened in his ministry. May he continue building bridges that connect us to one another. May he be an example of faith, hope and love. We pray that you give him joy in his work and a renewed fervor for your Gospel message. May he never lose sight of Christ who walks before us and among us — particularly in the most vulnerable, the forgotten and the outcast.

Christ Jesus, bless Pope Leo XIV — and bless us, your holy people, as together we strive to be your Body in our wounded world. Amen.

First Holy Communion Celebration Mass

Congratulations to all the First Communion children. It is a treasured time for families.

We would like to invite all parents and grandparents to Mass and a tea party on

Tuesday 3rd June at 1:30pm.

Illegal parking

Unfortunately, again we have had complaints about parking by St George’s parents. This time at Assisi court and St Francis Lodge off the Harrow Road.

I am surprised at how private land signage is being ignored. We have had multiple complaints from residents stating our parents parking is impeding their exit from their homes and making them late for work. We have included the signs for you to see in this newsletter, so they cannot be ignored.

As requested, on many previous occasions, please be respectful to our neighbours in the local community.

Thank you for your co-operation.

Year 6 SATS

Well done to all Year 6 pupils, on your hard work during the past week and completion of your SATs. A massive thank you to Miss Hipgrave and Miss Boyle for your support and all the other members of staff who supported during the week.

Attendance

Are you an attendance H.E.R.O? We are very proud to say that we are ranked highly in Harrow Council for schools attendance with 95%. We would like to congratulate all pupils and parents on such a wonderful achievement. Attendance at St George’s is constantly monitored to ensure we obtain our high ranking on Harrow Council’s list. To keep up with these high expectations for the attendance and punctuality of all pupils, please see the guidance below on how absences are calculated.

Maximise your potential!

Be a St George's Attendance H.E.R.O.

VE Day Celebrations

During last week we celebrated 80 years since Victory in Europe. Celebrations ended last Friday when we held a picnic to mark this special occasion. Please see the next page for photos taken on the day.

VE DAY SCHOOL PICNIC

¡Hola! La Jolie Ronde Spanish for Children at St Georges Primary School

The Spanish classes with La Jolie Ronde methodology are designed to enhance the children's learning skills; challenge them and help them to develop their language skills. These private lessons are a great way to learn a language while having fun! La Jolie Ronde Spanish provides a great opportunity to practice and interact in Spanish.

Classes are currently held at the school on Wednesdays. A delightful activity book and full app with lots of Spanish songs and stories with full English transcript as an integral part of the programme at a cost of £24. Classes will be offered at the rate of £8 per lesson (10 lessons this term) paid termly in advance. **Places are limited.**

Please find the dates and sessions for the spring term below. The lessons must be paid in advance before the first day of the term and enrolment form must be completed.

Year 4 and Year 6 (6 sessions) Friday from 3:15 pm till 4:00 pm from Friday 6th June until Friday 11th July 2025

If you are interested in joining the club, please, contact me at: Spanish4yourkids11@gmail.com and I will get back to you as soon as possible to let you know if spaces are available.

Lunch ordering

We have noticed that a considerable amount of children are arriving for hot lunches without pre-ordering.

Please ensure that you have ordered your child's meals on the 'Feeding Hungry Minds' website in advance. Please double check around themed days as some previous selections may get deleted.

It is important that the kitchen have the correct numbers to prepare meals for the children each day. If meals are not pre-ordered, this puts the kitchen staff under unnecessary pressure so please be mindful of this.
