

St George's School News

The pupil chaplains undertook The Young Ambassadors for Peace project this academic year. They attended two conferences with other schools and created an action plan where they outlined how they would implement the programme at school. We are extremely proud of the development of the pupil chaplains this year led by the RE Leader, Mrs Ryan.

The team will attend and present to other schools on the final day of programme this term. They led Peace Day on 6th June in school. They ran inspiring workshops for the whole school through art, music and Christian meditation, helping their peers explore what peace means, and how they too; can be peacemakers in their own lives.

Very best wishes and have a very peaceful weekend.

Yours Sincerely

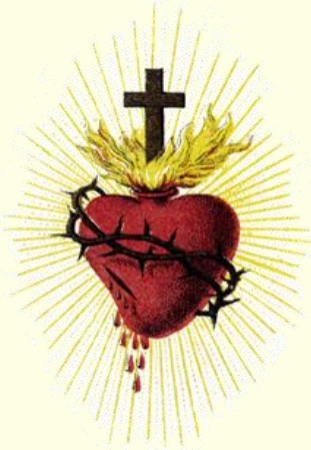

Mrs Monaghan

Headteacher

"I would like this greeting of peace to resound in your hearts, in your families, among all people, wherever they may be, in every nation and throughout the world. Peace be with you!"

June is the month of The Most Sacred Heart

Foster Carers in Harrow

Message from Harrow Council: Foster carers are needed in Harrow to look after children of all ages who cannot live with their birth families. There are many reasons why children need a period of fostering. These include:

- A parent going into hospital.
- A parent not coping because of substance misuse.
- A parent not coping due to mental ill health.
- Bereavement.
- Child being abused or neglected.
- A parent and child placement where the parent is supported to look after the baby.

Some children stay in foster care for only a few days, weeks or longer until their families can care for them again. Sometimes it isn't possible for them to return home, and alternative plans are made either through long-term fostering or adoption. Foster carers offer children the opportunity to grow and develop in a safe and secure environment. Foster carers work as part of a team with the child's social worker, birth parents and any other agencies involved in the child's care.

We offer the carers excellent support, comprehensive training, a dedicated supervising social worker, regular support meetings, membership to the Fostering Network and a generous financial allowance.

We particularly welcome people who have experience of working with children or have a good understanding of child development. Anyone interested in this challenging role can contact us using the following:

Smart Phones

IMPORTANT NOTICE FOR PARENTS

From September 2025, St George's will adopt a smartphone free school for children.

This is similar to many schools in Harrow, and this notice will apply to the current year 5 pupils, who will enter year 6 in September.

Only those pupils in year 6, who walk alone to and from school, with written permission from parents, will be permitted to have a phone. Parents are requested to visit the following link to read about alternative devices, other than a smartphone. These devices are sufficient for the task required, which is contact with you.

<https://www.smartphonefreechildhood.org/alternatives>

I would advise **all** parents to visit the smartphone free childhood website, to gain more information about why giving our children smartphones at a young age is more detrimental than advantageous.

St. George's Art Exhibition

Wednesday, 18th June

Time: 2:00 - 4:00 PM

We warmly invite you to our school's special art exhibition, created by children from Reception to Year 6, as a tribute to Pope Francis and the message of hope he shared throughout his papacy.

Each piece of artwork is inspired by Pope Francis' teachings on peace, care for creation, love for others, and the importance of faith and unity.

What does hope mean to us, and how can we express it through art?

- **Reception** – Hope in Nature
- **Year 1** – Hope through Kindness
- **Year 2** – Symbols of Hope
- **Year 3** – Hope in the World
- **Year 4** – Voices of Hope
- **Year 5** – Hope in our Community
- **Year 6** – Hope as Legacy

Parents are invited to contribute to the gallery by submitting your own small piece of artwork, photography, or short reflections on hope. Please submit a hardcopy of your artwork to the office by Monday 16th June 2025.

"Let us not allow ourselves to be robbed of hope!"
– Pope Francis, *Evangelii Gaudium*

Lunch ordering

We have noticed that a considerable amount of children are arriving for hot lunches without pre-ordering.

Please ensure that you have ordered your child's meals on the 'Feeding Hungry Minds' website in advance. Please double check around themed days as some previous selections may get deleted.

It is important that the kitchen have the correct numbers to prepare meals for the children each day. If meals are not pre-ordered, this puts the kitchen staff under unnecessary pressure so please be mindful of this.

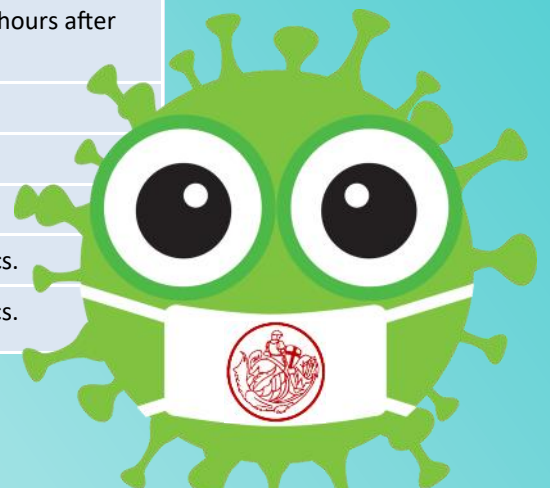

IS MY CHILD TOO ILL FOR SCHOOL?

yes

until...

CHICKENPOX	At least 5 days from the onset of the rash and until all
DIARRHOEA AND VOMITING	48 hours after their last episode.
HIGH TEMPERATURE	If your child has a high temperature, keep them off
IMPETIGO	Their sores have crusted and healed, or 48 hours after
MEASLES	4 days after the rash first appeared.
MUMPS	5 days after their swelling started.
SCABIES	They've had their first treatment.
SCARLET FEVER	24 hours after they started taking antibiotics.
WHOOPIING COUGH	48 hours after they started taking antibiotics.

NO

CONJUNCTIVITIS	You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.
COUGHS & COLDS	It's fine to send your child to school with a minor cough or common cold.
HAND, FOOT & MOUTH	If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.
HEAD LICE	There's no need to keep your child off school. You can treat head lice and nits without seeing your GP.
THREADWORMS	Speak to your pharmacist, who can recommend treatment.
SORE THROAT TONSILLITIS	You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.
SLAPPED CHEEK	You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious.
