

St George's School News

END OF THE ACADEMIC YEAR

Dear Parents,

As we draw to the close of this academic year 2024-25, I would like to thank you, for your continued support for your children's education and personal growth in their faith.

There are many achievements to note and this half term alone, has ended in many achievements.

The Diocesan inspection process scrutinised the school in 3 areas: Catholic Life & Mission, Religious Education and The Prayer Life of our school. St George's pupils did us proud and it was clear to the visitors that they love their school. Adjectives used to describe them in verbal feedback were confident, enthusiastic and able to be articulate and live out their faith – and of course, we agree!

Due to the timing of the inspection, the written report will be published in September when I will be able to inform you of the judgement.

Year 6 SATs results were published this week and we are extremely proud of our Year 6 pupils. Results are very good and significantly above national figures.

Well done Year 1 on their high phonics results 92% - fantastic!

Thank you to Year 6, who put on a brilliant performance at The Ryan Theatre yesterday evening. Showcasing our talents is a big part of being at our school, and thanks also to those pupils who participated in the end of year music

concert.

Thank you to every member of staff at our school, who works relentlessly, with their consistent high expectations for St. George's children. Volunteers and parents who give their time to contribute constructively to school life are an invaluable support for our school and children, and we give heartfelt thanks to you.

Very best wishes to the Year 6 pupils as they prepare for KS3 and to all the families who have reached the end of an era in their child's primary education and are leaving St George's.

Have a fantastic summer with family and friends and see you all feeling refreshed on Wednesday 3rd September.

God Bless

Mrs D Monaghan

Afterschool Club and Breakfast Club

Due to price increases of many things, we have done our best to keep the costs down. However to keep the current rates of £9.50 or sibling rate £9 from September, there will be no food provided at Afterschool Club. Children will need to bring their own snacks. This should be a sandwich, wrap and a piece of fruit.

There will be some change in prices for Breakfast Club from September 2025.

These prices are: £5.50, sibling rate is £5.00. Food will be provided for Breakfast Club.

We welcome the following new member of staff in September

Mrs Danielle Manley – Reception class teacher

Goodbye and Good luck

The end of an academic year in school can bring movement of staff and this summer, we say goodbye to Mrs Sue Sullivan, who is retiring and Mrs Prado, who is leaving to spend more time with her family.

It has been a pleasure to get to know and work with these two wonderful colleagues. They have shared their talents with us and their contributions to the high achievement and success of our school over the years has been great. We wish them very best wishes and we will miss them.

Mrs Sullivan is taking her well-deserved retirement.

Sue began work here in September 2013, and has worked tirelessly for St George's school as a teaching assistant and is the kind, friendly face that has greeted children at breakfast club early in the morning.

Sue has had a longstanding loyalty to our school community. Her three daughters were pupils here and her husband, John, was finance governor when I first became Headteacher.

Thank you, Sue, for all that you have done over so many years as a parent and a colleague for the St George's school community. We wish you a happy, healthy, and fulfilling retirement as you begin the next chapter.

Thank you
