Jubilee Celebration Day

Jubilee Year Celebration – Thursday 21 November

Catholic schools across England have been recognised by the Vatican for their extraordinary response to the Jubilee Year and St George's is proud to have played our part. Our pupils have certainly embraced the call to be Pilgrims of Hope and this is testament to the living and active faith of our children.

Throughout this Jubilee Year, we have shared many special moments as a school community, including:

- The creation of our whole-school Jubilee logo
- Our Jars of Hope, which were presented during a whole-school prayer service
- School pledges presented at Westminster Cathedral
- Harrow Catholic Schools Pilgrim Walk
- St George's reflective Pilgrim Walk

These experiences have helped us to grow together in faith and to live out our Jubilee Pledge to help build a better world. As we come to the end of this special Jubilee Year, we are looking forward to celebrating together in school on Thursday 21 November. On this date, the children will take part in special moments of thanksgiving, reflection and celebration as we look ahead with hope. To mark this joyful occasion, children are invited to wear the colours of the Jubilee logo instead of their usual school uniform.

During the day, they will join in a prayerful reflection and take part in an art activity to express what the Jubilee means to them and to share their hopes for the future.

To culminate coming to the end of our Jubilee celebrations, it is important that we encourage children and their families to participate in social action, "working together for a better world". We will be supporting a local charity and more details on this will be shared soon.

Together, we grow in deep faith, hope and active charity.
