SCHOOL NEWS

Dear Parents/Carers,

Congratulations to all the children who have made their First Holy Communion. It is a special time for them and you as a family: a memory to be treasured. I would like to invite parents and grandparents of those children who have made their Holy Communion to a celebration Mass at school on Monday 12th June at 2.00pm.

Year 6 have completed their end of Key Stage 2 SATs tests this week. The children have worked hard and they should do well, so they all deserve a big treat this weekend! They are awarded 100% for effort, attitude and behaviour. Thank you to all the staff involved who prepared them so well.

At St George's we love to participate in additional activities that enrich the curriculum experiences for pupils. Miss Yates, science leader, has organised a science week for the week beginning 22nd May. The theme this year is "Connections" and the home learning project is bridge building - details have sent to you via School PING. Children will have the opportunity to showcase their projects to each other and the teachers in science fairs arranged for the week.

We have always had a brilliant response to special themed topics at school with fantastic model making and projects from home and we are hoping that this year will be no different.

This half term Year 3 began their African drumming lessons with a visiting teacher.

More activities are planned for this term, as we continue to grow together in our thriving learning community in order to give the best education to our children.

Enjoy the weekend.

Yours sincerely,

MRS D MONAGHAN

(Headteacher)

“If our hearts are closed, if our hearts are made of stone, the stones find their way into our hands and we are ready to throw them”

The month of May is the time we dedicate to Our Blessed Lady.

Mary was a woman of deep faith, courage and strength who suffered a great deal and who put others’ needs before her own.

Thank you to the St George’s voluntary parishioner’s who come to teach and pray the Rosary with the children from Year 1 to Year 6 during the month of May.

Congratulations to Mr & Mrs Dravins on the birth of their twin girls, Ave and Aedamar.

ATTENDANCE

Listed are the attendance rates and number of lates for each class from the beginning of September 2022 to the end of the Spring Term - Friday 31st March 2023.

Our whole school target for the academic year is **95%** for attendance and **100%** for punctuality, allowing for the occasional sickness etc.

Lateness needs improvement!

There are quite a considerable amount of late arrivals to school. It is an important life skill to assist our children to arrive at school on time. If they are late, this means that they miss the beginning of the school day, instructions for the start of a lesson and assemblies. Being late can also create anxiety in a child. It is important that children arrive to school on time, and at primary age, this is the parent's responsibility.

As a school, we would ask all parents to help us and their child to achieve the set attendance targets. If you have any concerns regarding your child's attendance or lateness, please contact the School Office and make an appointment to see the Headteacher.

Class	% Attend	Number of lates
