

AUTUMN TERM!

St. George's Nursery-Dragons Newsletter

Thank you, Nyah's mum, Lauren who came in to nursery and read two of Nyah's favourite stories to the children. The children impressed Lauren with their great listening skills.

Contact Details

We will be sending you an email very soon, requesting that you update your child's details with us at the nursery. The email will come from our new management system called EYMAN. This system works together with EYLOG.

It will also be through EYMAN that you will receive your monthly invoices in the New Year.

Please look out for the email in the next few days. We would appreciate if you would complete the details requested and return it to us as soon as possible.

We aim to provide quality and efficient service.

For us to do so, it is crucial that fees are paid on time.

There is a small number of parents, who, unfortunately, do not pay their fees on time. Even after repeated requests. Chasing parents for payment of fees is very time-consuming and as stated in our pricing policy continued late payment of fees could result in your child's place at the nursery being withdrawn.

If you are experiencing financial difficulty, please arrange a time to come in to speak with Pauline Wilson, the Nursery Manager.

Sun	Mon	Tue	Wed	Thu	Fri	Sat

Thank you in advance for your co-operation.

Every Child is unique, developing at their own pace.

The journey begins at birth.

A skilled five year old grows from a busy four year old, a curious three year old, a cuddled two year old, an adventurous one year old and a communicative baby.

Gymnastics returns to Wednesdays

Cartwheels, the Gymnastics company who run our classes are unable to run the classes on a Friday morning.

In January 2019, we will return to having Gymnastic classes on Wednesday mornings.

If your child's session is not on a Wednesday and you would like them to continue with gymnastics, please contact Simona

Mary had little lamb, she also had the flu, and when she came to her nursery, the others had it too.

So anytime your child is sick, please keep them home with you.

Then the children in our nursery will be happier and healthier too!

Fee Review

Please Note

As advertised in the pricing policy there will be a fee review next month.

Thank you to all the parents who were able to make an appointment to see your child's Key person.

This has been a great time for us to learn more about your child and to share our observations about their learning, development and together decide the next steps in their learning journey.
